

Who Needs Shelter

Jason Mraz

Good day sunlight, I'd like to say how truly bright you are
You don't know me but I know you see
You're my favorite star
Follow you I will so let's get moving
Who needs shelter when the mornings coming?
Absolutely there's no one
Who needs shelter from the sun?
Not me, no not anyone
By your clock the cock rooster crows
Then off to work where everybody goes
Slow, but eventually they get there
They picking up the day shift back where all left off
Confined and they pecking at relationships
You know it's only a worthless piece of shit
Who needs shelter when the mornings coming?
Absolutely there's no one
Who needs shelter from the sun?
Not me, no not anyone
I'd sleep it all away
But the sun won't let me
I'd miss those lovely days
Of summer
Good day sunlight
I'd like to say how truly bright you are
You don't know me but I know you see
You're my favorite
