

Voices In My Head

Naked Eyes

I don't know why I'm feeling lost
It's only love
I give you everything I've got
It's not enough Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing Voices in my head
Telling me beware
I hear voices in my head
Everywhere Whenever we're together
It breaks my heart
I've got a fantasy of which
You are a part Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing Voices in my head
Telling me beware
I hear voices in my head
Everywhere Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing Voices in my head
Telling me beware
I hear voices in my head
Everywhere Voices in my head
Voices in my head
Voices in my head
