## **Voices In My Head**

## **Naked Eyes**

I don't know why I'm feeling lost It's only love I give you everything I've got It's not enoughShutting my eyes I find Opening up my mind What is this sound I'm hearing Voices in my head Telling me beware I hear voices in my head EverywhereWhenever we're together It breaks my heart I've got a fantasy of which You are a partShutting my eyes I find Opening up my mind What is this sound I'm hearing Voices in my head Telling me beware I hear voices in my head EverywhereShutting my eyes I find Opening up my mind What is this sound I'm hearing Voices in my head Telling me beware I hear voices in my head EverywhereVoices in my head Voices in my head Voices in my head
