# Heartbreaks & Setbacks (R&B Mixtape Edit)

## Thundercat

Heartbreaks, set backs, break ups, make ups
Love, love, love, love, love
Breakdowns, build ups, knock down, broke down
But still time time timeMaybe this could be a chance for us to see
Maybe we'll figure out where we're supposed to be
Until we find the truth there's something we should do
Can't let the love stop flowing from me to youYou know we tried way too hard to find
A love that's really blind so why even try?
Because we know that there's still hope
Just don't let goMaybe this could be a chance for us to see
Maybe we'll figure out where we're supposed to be
Until we find the truth there's something we should do
Can't let the love stop flowing from me to you
