

I Will... But

SHeDAISY

How can I keep from singing?
My life goes on in endless song
I hear the music ringing
It find an echo in my soul
How can I keep from singing? I won't be bored
I won't be ignored I won't be your dirty secret
I won't be your cure-all pill
I won't run to fetch the water
Just to tumble down the hill I won't be your Friday paycheck
I won't be the prize you flaunt
And I won't be your Martha Stewart, baby
Or your all night restaurant But I will, I will, I will be your everything
If you make me feel like a woman should
Yeah I will, I will, I will be the whole shebang
You know I will But, I won't be your crutch to lean on
I won't wear stiletto heels
I won't walk a mile in your shoes
Just so I know how it feels I won't be your obligation
I won't be your Barbie doll
And I won't be the portrait of perfection
To adorn your wall But I will, I will, I will be your everything
If you make me feel like a woman should
Yeah I will, I will, I will be the whole shebang
You know I will, but Hey you know, you know I will all right I won't be your lifetime girlfriend
I won't be just one of the guys
I won't be your mama's favorite
I refuse to be the last in line But I will, I will, I will be your everything
If you feel make me feel like a woman should
Yeah, I will, I will, I will be the whole shebang
You know I will Yeah, I will, I will, I will be your everything
I will, I will be the whole shebang
I will, I will be your everything
I will, I will, I will, I will, I will yeah You know I will
You know, you know I will
You know I will
You know, you know I will
You know I will, but
