Single Heart

DeBarge

I 'm lost in this crowd
Where everyone's a stranger
A sky full of clouds
The stars still shine through somewhereOoh...hope that I 'll soon find mine
Ooh...there's really not much time
I wonder who, I wonder whoSingle heart (Single heart)
Looking for another
Single heart (Single heart)
Looking for another,Looking for another single heartI can't stay alone
I want to live for someone
There's too much to share
And life must have a reasonOoh he'll take my breath away
Ooh he'll turn my head one day
I hope it 's soon, I hope it 's soonSingle heart (Single heart)
Searching for each other
Single heart (Single heart)
Searching for each other,Single heart (Single heart)
Now we've found each other
Single heart (Single heart)
Now we've found each otherSingle heart (Single heart)
Now we've found each other
Single heart (Single heart)
