

# Piano Man

## Brandy

Mr. Piano Man  
Play a song for us  
(Mr. Piano Man)  
Play a song for love  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love

Do you have a request book handy, I can flip through?  
I do, he said my name is Rodney, good to meet you  
What do you wanna hear tonight he asked me?  
He says that I can feel inside  
I've got what you need to know exactly  
Why don't we give this a try?  
Play me a song about heartache  
I promise I can sing every word  
(Mr. Piano Man)  
Play me a song about love lost  
That's another one everyone's heard  
Strike up the band  
We can have the whole world singing tonight  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love

He played a song filled with sadness, I believed him  
Even though, we're strippin' with madness, I could see it  
We were lost in the music, everyone knew it  
Truth was in the air tonight  
I could see all the faces, they thought the same  
Won't you please?  
Play me a song about heartache

I promise I can sing every word  
Play me a song about love lost  
That's another one everyone's heard  
Strike up the band  
We can have the whole world singing tonight  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love  
He was going for hours, people crying showers  
No one ever really told how it is  
I sang about hopeless 'cause everyone knows it, knows it  
And it was so honest  
Finally breathing some clean air  
Been through it and seen there  
I put my star to fame  
Now the spotlight was fading, he just kept on playing  
Play me a song about heartache  
I promise I can sing every word  
(Mr. Piano Man)  
Play me a song about love lost  
That's another one everyone's heard  
Strike up the band  
We can have the whole world singing tonight  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love  
(Mr. Piano Man)  
Play a song for us  
(Mr. Piano Man)  
Play a song for love
