Your eyes, tell me how you want me I can feel it in your heart beat I know you like what you seeHold me, I'll give you all that you need Wrap your love around me You're so excited, I can feel you Getting hotter, oh babyI'll take you down, I'll take you down Where no one's ever gone before And if you want more If you want more, more, more Then, jump for my love Jump in and feel my touch Jump, if you want to taste My kisses in the night then Jump, jump for my loveI know my heart (I know my heart can make you happy) (Can make you happy)Jump in, you know these arms (You know these arms can feel you up) (Can feel you up)Jump, if you want to taste My kisses in the night then Jump, jump, for my love You told me, I'm the only woman for you Nobody does you like I do Then make a move before You try and go much further, oh baby You are the one, you are the one And heaven waits here at my door And if you want more, If you want more, more, moreThen, jump for my love Jump in and feel my touch Jump, if you want to taste My kisses in the night then Jump, jump for my loveI know my heart (I know my heart can make you happy) (Can make you happy)Jump in! you know these arms (You know these arms can feel you) (Can feel you up)Jump, if you want to taste My kisses in the night then Jump, jump for my loveWhen you are next to me (Ooo)

> Oh, I come alive (Yeah)Your love burns inside (Ooo)

Oh, it feels so right
(Hey)
Come to me if you want
Me tonight, jumpI know my heart
(I know my heart can make you happy)
(Can make you happy)Jump in, you know these arms
(You know these arms can feel you up)
(Can feel you up)Jump, if you want to taste my kisses
In the night then
