

# Somebody To Love Me

[Kellie Pickler](#)

Sometimes the night seems so lonely  
When your lying there all alone  
And tomorrow seems so far away  
I don't wanna live another day this way. Scared to love someone else  
Can't bear the hurt again  
But my body needs to feel a touch  
Someone to come and wake me up. [Chorus]  
I just want somebody to love me.  
I just need somebody to hold me.  
Somebody to love me Don't wanna let life pass me by  
Never knowing what its like  
To be as real as real can be  
To share my life and know my dreams. [Chorus] Cause I'm hurt and I'm scared and I'm lonely  
All I want is somebody to want me  
Cause I've got so much to give. [Chorus]
