

Liberty (feat. John Grant)

Hercules and Love Affair

electronic intro] You can't hide your emptiness
Everyone can see
You don't need to explain yourself,
Specially not to me
You don't have to explain yourself to me
You don't have to explain yourself to me You can do anything that you want
You are totally free,
You can go anywhere in this World,
But you go without me
You can do what you want, you are totally free
You can go anywhere in this World,
But you go without me
(That's why!)
(That's why!)
(That's why!)
(That's why!)
(That's why!)
You don't you don't know
You don't you don't know
You don't you don't know
You don't you don't know
Yeaah!
