# Mercenary

## The Go-Go's

He's crying inside
Can't tear the hurt out
Life's rushing by
Like an old movie backdropThe radio's blasting
Song after song
About the big romance
That went all wrongShe says
"I just wanted to make you
I never meant to break you"He says
"Have some mercy on me
Do you have to be such a mercenary?"She's scheming inside
Can't stop the wheels turning
Been through it before
There's no profit or learningShe's not really bad
Just a gold-plated heart
So scared to be alone
It rips her apartShe says
"I just wanted to make you
I never meant to break you"He says
"Have some mercy on me
Do you have to be such a mercenary?"She says
"I just wanted to make you
I never meant to break you"He says
"Have some mercy on me
Do you have to be that way?I just wanted to make you
I never meant to break youHe says
"Have some mercy on me
Do you have to be such a mercenary?"
