

# Learn to Fall

Lee DeWyze

Oh you are gonna be the only one I'm gonna see for a long time  
Maybe it's the wrong time  
Well I'm sure you'll let me know  
Oh I don't need a thing unless there's something that I'm missing  
I'll be just fine  
Maybe it's the right time  
That's why I need to go Well maybe it's just me or is there something I don't see that keeps me trying?  
There's no use in deciding  
That's just the way it goes  
Is there something you can say to make all this go away?  
I swear I'll listen  
But something more is missing  
I don't think I've lied or stole Tell my mother not to worry  
Tell my father none of this is his fault  
I'll try to hear them when they do call  
If I don't forget my head  
Oh and every man creates until he makes the same mistakes  
And his light goes dark  
How quickly we learn to fall  
I guess it's just meets to end  
I guess it's just meets to end  
Oh you are gonna be the only one I'm gonna see for a long time  
Maybe it's the right time  
Be sure to let me know
