

Can't Take It With You

[Eric Church](#)

Advisory - the following lyrics contain explicit language:

Never realized how much she brought to the table
Till I went to sit my cup of coffee where the table used to be
No couch, no bed, no heirloom antique cradle
No more hope for one day startin' that family Bet she's gainin' fast on Memphis with a trailer-load in tow
Who says you can't take it with you when you go? 'Cause she got away with everything that I had goin'
An' she got away 'fore I could make it all alright
An' I got away with leavin' what needs said unspoken
Hell, I even blew the chance I had to say goodbye Yeah, she took her heart an' took off down that road
An' they say you can't take it with you when you go Good news is, ain't much here left for packin'
Bad news is, she left behind a million memories
All the echoes of her cryin', lovin' an' laughin'
Left me with nothin' left to do but leave That ol' house is in the rear view, ridin' shotgun is her ghost
Who says you can't take it with you when you go? 'Cause she got away with everything that I had goin'
An' she got away 'fore I could make it all alright
An' I got away with leavin' what needs said unspoken
Hell, I even blew the chance I had to say goodbye She just took her heart an' took off down that road
An' they say you can't take it with you when you go Closin' in on Dallas now is the best love I've ever known
An' they say you can't take it with you when you go
