# The Stone

## ASHES dIVIDE

I've been pushing stones away far from these shores
I pretend that it's all OK
Til on the brink of what can't be adored[Chorus]
We survive
Well we can change
So let it fade
Just let it go
We pretend so nothing does change
We're flowers never breaking through the stone.I pretended and prayed it all away, searching for a place to hide
But I don't need afflicted memories to fade,
I just want to feel something real inside.[Chorus]I've been pushing stones away
Far from these shores
I..
Pretend that it's all OK
Til on the brink of what (can be endured)[Chorus: x2]
