

The Stone

ASHES dIVIDE

I've been pushing stones away far from these shores

I pretend that it's all OK

Til on the brink of what can't be adored[Chorus]

We survive

Well we can change

So let it fade

Just let it go

We pretend so nothing does change

We're flowers never breaking through the stone.I pretended and prayed it all away, searching for a place to hide

But I don't need afflicted memories to fade,

I just want to feel something real inside.[Chorus]I've been pushing stones away

Far from these shores

I..

Pretend that it's all OK

Til on the brink of what (can be endured)[Chorus: x2]
