

# He's Concerned

CeCe Winans

He's Concerned About You Ce Ce Winans God is just a prayer away

All you need to do is call.

He will hear your faintest cry

He's concerned about you. So while your tears are flowing through

Your time of mourning

He is here to lift your heavy heart

Because he's in love with you. Chorus:

He knows

He cares

He sees

He's there

He'll carry you

He's concerned about you. Weeping may endure for a night

But the morning will bring joy

He won't give you more than you can bear

He's concerned about you He loves you, oh yes

He loves you, ooh ooh,

He loves you

(I know he does, he really does)

He's concerned about you. Chorus:

He knows

He cares

He sees

He's there

He'll carry you

He's concerned about you He knows and

He cares

He sees

He's right there

He'll carry you .

He's concerned about you

He's concerned about you

He's concerned about you.
