

# Not That I Care

[Willie Nelson](#)

So you saw her last night with her new love  
Yes, they tell me they make quite a pair  
And did they both look happy together  
I just wonder, not that I care Tell me was she lovely as ever  
Like an angel with golden hair  
And does she still close her eyes when she dances  
I just wonder, not that I care Once I thought I couldn't live without her  
Funny how wrong I could be  
Now I never even think about her  
And what she does doesn't mean a thing to me Well, it's late so I guess I'll be going  
Too much smoke, what I need is some air  
And by the way did she ask you about me  
I just wonder, not that I care
