

# Nothing Left But Tears

## Buckcherry

The feelings are real and Iâ€™m holding on,  
Iâ€™m upset, can somebody help me?  
I knew all along that something was wrong  
Itâ€™s tragic, but nothingâ€™s forever.

All the things you put me through  
I still canâ€™t stand the sight of you  
Waste my time and tell me lies,  
But youâ€™ll never gonna get inside my mind.  
Now youâ€™ve come to make it right,  
But youâ€™re not well and youâ€™re still high,  
Nothing you can say to keep me here,  
Thereâ€™s nothing left, nothing left but tears.

Time is lost, sitting with my dogs  
Iâ€™m restless, itâ€™s now my obsession.  
Tell you how I feel, let you see my tears  
Maybe things wonâ€™t get ugly.

All the things you put me through  
I still canâ€™t stand the sight of you  
Waste my time and tell me lies,  
But youâ€™ll never gonna get inside my mind.  
Now youâ€™ve come to make it right,  
But youâ€™re not well and youâ€™re still high,  
Nothing you can say to keep me here,  
Thereâ€™s nothing left, nothing left but tears.

I canâ€™t escape, it's more than I can take,  
You can break whatâ€™s already broken.

When Iâ€™m all alone, it eats away my soul  
And now thereâ€™s no way I can fake it.

All the things you put me through  
I still canâ€™t stand the sight of you  
Waste my time and tell me lies,  
But youâ€™ll never gonna get inside my mind.  
Now youâ€™ve come to make it right,  
But youâ€™re not well and youâ€™re still high,

Nothing you can say to keep me here,  
There's nothing left, nothing left but tears.  
Nothing left but tears, tears
