

# As Long As You Want This

Kane

So, come on now  
Come on now  
Come on now So I'm looking for the rightful, let me in  
Kick me, hit me, don't you know I always win  
Heaven help you, heaven knows what's on my mind Oh, as long as you want this Here's my answer, here's my  
one and only truth  
Here's the reason why I'll give my word to you Oh, so just this once, I want it all this time  
As far as I remember the chains were always ending  
But life is never ending Oh no, I, so as long as you want this, I have to let you know  
If you want this, I have to let you know  
This much is true, I'll never change, I'll never stop  
I'll never change, this time I'm gonna take you down Oh, come see me, oh come hear me, I'm your man  
Oh, come feeling, what I give is what I am Oh, so just this once, I want it all this time  
As far as I remember the chains were always ending  
But life is never ending No, no, so as long as you want this, I have to let you know  
If you want this, I have to let you know  
This much is true, I'll never change, I'll never stop  
I'll never change, this time I'm gonna take you down  
Oh, gonna take you down, oh come on No, no, no, no, no, no  
As long as you want this, I have to let you know  
If you want this, I got to let you know  
This much is true, yeah, I'll never change Give it to me, give it to me, yeah, I'll never change  
Won't you give it to me, give it to me, yeah, I'll never change  
This time I'm gonna take you down
