

There She Goes

[Chris Isaak](#)

There she goes there she goes.
All dressed up and walking you found somebody new.
I don't want nobody I was happy with you.
There she goes.I never said I love you but you know that I do.
I can't believe it's over I keep thinking of you.I see her everywhere everywhere I go.
I see her everywhere everywhere I go.
There she goes there she goes.There she goes.Don't know why she left me, don't know what I'll do.
I don't want no council, I was happy with you.I see her everywhere, everywhere I go.
I see her everywhere, everywhere I go.
There she goes, there she goes.I want to cry, over you.There she goes, there she goes.
There she goes, there she goes.
There she goes, there she goes, there she goes.
