

# Mr. Wrong

Sade

He don't care  
Where he's been playin'  
He doesn't hear  
The word she's sayin'  
She's a fancy girl  
So why's, she stayin'  
Hangin' on for Mr. Wrong  
He doesn't show her  
That he needs her  
She doesn't know  
His love's a liar  
She's a fancy girl  
Got to be strong  
Say so long, Mr. Wrong  
Bye bye  
Get out on your own girl  
Show him how  
You can be strong girl  
You don't need him now  
Run away, pretty girl  
Say so long, Mr. Wrong  
Run away  
Bye bye
