

# This Time I'm Gone for Good

**Bobby "Blue" Bland**

I shoulda stayed gone  
When I left before  
Cause you do me wrong  
When we're together

But I keep coming back  
Oh, Lord, for more

When I leave this time  
Whoa, Lord, make sure  
It's understand that  
This time, I'm gone for good

Many times I've left you  
But I couldn't stay away too long  
Thank God for the strength  
That he gave to me to leave home

And still be strong

When I leave this time  
Whoa, Lord, make sure  
It's understand that  
This time, I'm gone for good

It's been warm outside  
But for me, but for me  
There's been no sunshine  
So hard for me to leave  
But I finally made up my mind

When I leave this time  
Whoa, Lord, make sure  
It's understand that  
This time, I'm gone for good

This time, baby, Lord  
I'm not gonna let you  
Worry me no more  
And this time, baby

Don't even say nothing to me

Oh, Lord, bye, bye, baby
