

Control Freak

Copeland

You lose control when you hold too tight
And turn your head long enough to let it bite
'Cause faith left me staring at the ceiling through the night
It's freaking me out

And when I fell asleep it plagued my dreams
And thirty bits of glass had become my teeth
They were breaking each and every time I tried to speak
It's freaking me out

You're freaking me out
You're freaking me out
And I could run like a coward for the door
But I'll never get out
You're freaking me out

You lose your mind if you lose control
It makes you feel ashamed for the hearts you stole
But now your own heart's scared of an attack
'Cause you can't give them back

You're stressing me out when you prove me wrong
You're wearing me out 'cause I've searched so long

You're freaking me out
You're freaking me out
And I could run like a coward for the door
But I'll never get out
You're freaking me out

Threw it all away
I threw it all and I threw it all away
But the best part is not knowing just what I threw away
I threw it all away

You're freaking me out
You're freaking me out
And I could run like a coward for the door
But I'll never get out

You're freaking me out

You're freaking me out
But I keep running right back around for me
'Cause I'm in love with my doubt
It's freaking me out
