

# Baby, It's You

## The Shirelles

It's not the way you smile that touched my heart

It's not the way you kiss that tears my apart

But how many many many nights go by

I sit alone at home and cry over you

What can I do

Can't help myself

Cause baby it's you

Baby it's you

You should hear what they say about you (cheat, cheat)

They say, they say you never never ever been true (cheat, cheat)

Wo ho, it doesn't matter what they say

I know I'm gonna love you any old way

What can I do, then it's true

Don't want nobody, nobody

Cause baby it's you

Baby it's you

Wo ho, it doesn't matter what they say

I know I'm gonna love you any old way

What can I do, then it's true

Don't want nobody, nobody

Cause baby it's you

Baby it's you

Don't leave me all alone
