Swan Song

Jessie Ware

Lose yourself in the glow,
Rise and fall, breath in slow.
Oh oh oh.
Left the sky paint it all,
Fall your eyes, fall our souls
Fall our souls.
Hear my swan song
Oh oh, it was my mistake
Catch a kiss now,
Swan song
Help me to escape.
You caused your spell,
With sorries told
Promises, will they unfall?

Hear my swan song
Oh oh, it was my mistake
Catch a kiss now,
Swan song
Help me to escape.
I still hope eyes will fall
Out the line, out the line
Help me glow
It's alright
It's alright.
Hear my swan song
Oh oh, it was my mistake
Catch a kiss now,
Swan song
Help me to escape.
