

Before The Storm (duet With Jonas Brothers)

Miley Cyrus

Miley:

I know this isn't what I wanted,
never thought it'd come this far,
just thinking back to where we started
& how we lost all that we are.

Nick:

We were young & times were easy,
but I could see it's not the same.
I'm standing here but you don't see me,
I'd give it all for that to change.
And i dont want to lose her,
I dont want to let her go.

Chorus:

Miley:

I'm standing out in the rain,
I need to know if it's over,
Cause I won't leave you alone.

Nick:

Flooded with all this pain,
Knowing that I'll never hold her,
like i did before the storm.

Before the storm

Nick:

And with every strike of lightning.

Miley:

Comes a memory that lasts.

Both:

Not a word is left unspoken as the thunder starts to crash.

Miley:

Maybe I should give up.

Chorus:

Miley:

I'm standing out in the rain,
I need to know if its over,
cause I will leave you alone.

Nick:

Flooded with all this pain,
knowing that I'll never hold her,
like I did before the storm

Miley:

Trying to keep the light from going in

Both:

And the clouds from ripping out my broken heart.
We always say a heart is not whole without the one who gets you through the storm.

Chorus:

Standing out in the rain, knowing that it's really over- please don't leave me alone
Flooded with all this pain, knowing that I'll never hold you, like I did before the storm.

Like I did before the storm
