I'm da Man

Juvenile

i got plenty i got plenty clothes and when they call me wit man i got platny of .. use to be a neighborhood star when i came through now they shout superstar when i come through. so whatcha want i the man where i am from so whatcha want so want u want .. say i am the man where im from im a mother.. man where im from . i put the louys on my feet and brush the hate off. cuz when they tell me i got flavor like steak sauce. your girl chill like dag where she really at. she want to suck and swallow like where we at.
