# Domination of the Sub-Queen

## Defleshed

Feeling the fury within grow
Must go deep, deep down below
A place where I have seen before
To dominate the suburban whore Obey the extreme, she is my queen
And I am her king with my solid spear thing Came to feel, came to heal
Need to know if this is for real
I don't know if she simulates
But I am here to dominate Feeling the fury within grow
Must go deep, deep down below
A place which I have seen before
Where I dominate the suburban whore
Domination of the Sub-Queen
Abomination of the extreme
