Secret Land

Sandra

I remember, leaves were fallin' down

In St. Germain

It was a cold November

You went away and I got a dreamNobody knows who I am

Maybe you would understand

Anybody knows what I am

Out in a secret landNobody knows how I try

Not to tell another lie

Anybody knows in the end

I'll find a secret landI need you, I feel you

I can't life without you so long

I know that we parted

I'll stay in this town 'cause I miss you soI feel it, I mean it

The secret that I'm gonna show

And I turn back, I see that

All my love had to fail but I miss you so Nobody knows who I am

Maybe you would understand

Anybody knows what I am

Out in a secret landNobody knows how I try

Not to tell another lie

Anybody knows in the end

I'll find a secret landNobody knows who I am

Maybe you would understand

Anybody knows what I am

Out in a secret landNobody knows how I try

Not to tell another lie

Anybody knows in the end

I'll find a secret landI need you, feel you

I can't life without you so long

'Cause I miss you soNobody knows who I am

Maybe you would understand

Anybody knows in the end

I'll find a secret landNobody knows who I am

Maybe you would understand

Anybody knows what I am

Out in a secret landNobody knows how I try

Not to tell another lie

Anybody knows in the end

I'll find a secret landNobody knows who I am

Maybe you would understand
Anybody knows what I am
Out in a secret landNobody knows how I try
Not to tell another lie
Anybody knows in the end
I'll find a secret landNobody knows who I am
Maybe you would understand
Anybody knows what I am
Out in a secret landNobody knows how I try
