

# Flow (Acoustic Cafe)

## Son Volt

Wasted air, breathe so low  
Same old politics of show  
Just don't find it the same as I leave it  
Still in the flow  
Still in the flow and I'm low to the ground Just wanna bring it about  
Already seen from the inside out  
Varied change, in the words of the weatherman  
Still in the flow  
Still in the flow and I'm low to the ground All control is out, spinning  
A new beginning, tracking and finding  
Look what we have Talks resumed, strike avoided  
Political mood winding down  
Hearts and minefields and three's a charm  
Still in the flow  
Still in the flow and I'm low to the ground  
Still in the flow and I'm low to the ground
