

Rescue

Uncle Kracker

I stayed out late last night
But nothing I could drink could help me drink you off my mind
Everywhere I looked
Ooh, I saw your face And I wonder, and I wonder if there still might be
A little space in your heart for me
'Cause I'm so cold, I'm so alone
And I miss you, babe So won't you come to my rescue?
Shake this pain from my soul
And take this fool back in your heart baby
I'll go crazy if you don't 'Cause I'm a mess here without you
Ain't no pill for this pain
So please, please come to my rescue baby
Baby right away I was a fool to leave
Leave behind everything that meant everything to me
Every day and night
Mmm, my heart pays the price And I'm out here, stranded out here, on this lonely road
I'm so lost won't you lead me home
I need you back, need one more chance
And I miss you, babe So won't you come to my rescue?
Shake this pain from my soul
And take this fool back in your heart baby
I'll go crazy if you don't 'Cause I'm a mess here without you
Ain't no pill for this pain
So please, please come to my rescue baby
Baby, right away I'm drowning baby
I need you to save me, yeah
Don't leave me like this
Throw me a line, baby one more time So won't you come to my rescue?
Shake this pain from my soul
And take this fool back in your heart baby
I'll go crazy if you don't 'Cause I'm a mess here without you
Ain't no pill for this pain
So please, please come to my rescue baby
Baby, right away, make it right away, baby right away
