Jo ke masroof e salam e shohada rehta hay
Go wo rehta nahi par nam sada rehta hay

---Darbar sajaye 700 kursi nasheen baithay hain
---700 kursi nasheeno ke darmiyan ka manzar pesh karta

hoon

Shimr kehta tha yehi maa hai Ali Akbar(as) ki
Jis ka ik hath kalej pe dhara rehta hai

---Sari zaindagi Ummul Baneen yehi kehti thi
---Ke logo batao ke jab meray Abbas(as) ke bazo
---nahi thay to woh ghorray se gira kaise

Hay yeh sharmindagi pani ke na pohchanay ki
Naizay pe bhi sar e Abbas(as) jhuka rehta hain

Shaam hoti hay to unthon se utartay hain haram
Par sar e Shah to naizay pe charrha rehta hay

Aan ke Hind ki beti ne Sakina(as) se kaha

Sar tera kis liye har waqt khula rehta hay

Woh lagi kehnaay ke yateemo ki nishani hay yehi
Kurta be warsi bachon ka phata rehta hay
