Summer

The Vettes

I'm looking at your photograph
The picture on my wall
Life's too short for memories
I can't have it all
You gave me the run around
So we go our own sweet ways
I'll be making the most of summertime
Crazy nights and lazy days
Summer can't last too long
Summer can't last too long
Spring, winter or fall but out of 'em all
The summer can't last too long
One night can seem a lifetime
And I've got no more time to lose
Sunshine on my shoulders
Kissing away my blues, ohh
Summer can't last too long
Summer can't last too long
Spring, winter or fall but out of them all
The summer can't last too long, ohh
Summer can't last too long
Summer can't last too long
Spring, winter or fall but out of them all
The summer can't last too long
(Ooo ooh)
Ohh ohh, oh ohh ohh oh ohh
(Ooo ooh)
Looking to the future
Searching for the girl
Not too much like the last one
Just the prettiest in the world
Summer can't last too long
Summer can't last too long
Spring, winter or fall but out of them all
The summer can't last too long
Yea, yea
Summer can't last too long
Summer can't last too long
Spring, winter or fall but out of them all

The summer can't last too long
(Ooo ooh ooh)
Summer can't last too long
Summer can't last too long
(Ooo ooh ooh, ooo ooh ooh)
Summer can't last too long
Summer can't last too long
(Ooo ooh ooh, ooo ooh ooh)
(Ooo ooh ooh, ooo ooh ooh)
(Ooo ooh ooh)
