

# Your Funeral, My Trial

[Joe Bonamassa](#)

Come home to me baby, come explain yourself to me  
You and I are gonna start a family, a brand new baby  
Come off that off the wall jive  
Cause if you carry me, know by god, you're filled with my child  
Oh I love my baby, gotta see her when I can  
Find my baby messin' with another man  
I caught my baby,

Come off that off the wall jive  
Cause if you carry me, know by god, you're filled with my child  
(Oh, take it up)  
Oh I love my baby, its as sharp as a knife  
Oh baby, you been hard to my desire  
Oh baby, come off that off the wall jive  
Cause if you carry me, know by god, you're filled with my child
