

# From Sarah With Love (Kayrob Mix)

## Sarah Connor

For so many years we were friends  
And yes, I always knew what we could do  
But so many tears in the rain  
Felt the night you said  
That love had come to you I thought you were not my kind  
I thought that I could never feel for you  
The passion and love you were feeling  
And so you left for someone new  
And now that you're far and away  
I'm sending a letter today From Sarah with love  
She'd got the lover she is dreaming of  
She never found the words to say  
But I know that today  
She's gonna send her letter to you From Sarah with love  
She took your picture to the stars above  
And they told her it is true  
She could dare to fall in love with you  
So don't make her blue when she writes to you  
From Sarah with love So maybe the chance for romance  
Is like a train to catch before it's gone  
Maybe it's just an illusion to hold behind  
The clouds you'll find the sun But I'll keep on hoping and praying  
There will be a day when we meet again  
And I'll keep on waiting and dreaming  
You're strong enough to understand  
As long as you're so far away  
I'm sending a letter each day From Sarah with love  
She'd got the lover she is dreaming of  
She never found the words to say  
But I know that today  
She's gonna send her letter to you From Sarah with love  
She took your picture to the stars above  
And they told her it is true  
She could dare to fall in love with you  
So don't make her blue when she writes to you  
From Sarah with love From Sarah with love  
She'd got the lover she is dreaming of  
She never found the words to say  
But I know that today

She's gonna send her letter to you From Sarah with love  
She's gotta know what you are thinking of  
'Cause every little now and then  
And again and again  
I know her heart cries out for you From Sarah with love  
She'd got the lover she is dreaming of  
Never found the words to say, ahh  
But today, but today From Sarah with love  
She took your picture to the stars above  
And they told her it is true  
She could dare to fall in love with you  
So don't make her blue when she writes to you  
From Sarah with love And they told her it is true  
She could dare to fall in love with you  
So don't make me blue when I write to you  
From Sarah with love
