Life Goes On

Turning Point

Again
We walk away from where we once stood
We knew the love we shared couldn't last
Separation is always understood
To each our life
Responsibilities
After the hard times we've been through together
It's so funny that separation has brought us
To our knees
We embrace
Smile and walk away
I can't turn back
I only wish to stay
I'll miss you
When you're gone
I can't help but think about you
But life goes on
Why must we leave
Why can't I stay
Next time we talk down this beaten path
I'm turning back your way
