

No ID (Feat. Colette Carr)

Frankmusik

No I got no I.D. no no
No I got no I.D.
No I got no I.D. no no
No I got no I.D.
When there's nobody else
And there's you and me
I don't need
No I got no I.D. no no
No I got no I.D.

We got the green to the paper
Ending up green in the face yeah
Funked up with your head in the party
Jumped up 4:30 in the morning
I'm done when the drinks are pouring
Shots in my glass are tasting boring
We can be classy
We can be nasty
We go hard in a downtown party
You gotta problem with me
Shut your mouth and party with me
Pop so sideways don't mind me
And we need no I.D.

No I got no I.D. no no
No I got no I.D.
No I got no I.D. no no
No I got no I.D.
When there's nobody else
And there's you and me
I don't need
No I got no I.D. no no
No I got no I.D.

Open invitation
No Identification
Check out this place it's
Bouncin' up when the bass hits
Pick you up I miss you baby

You gotta body like a leading lady
Getting naughty cosâ€™™ you drive me crazy
No chasers, lets get wasted

You gotta problem with me
Shut your mouth and party with me
Pop so sideways donâ€™™t mind me
And we need no I.D.

No I got no I.D. no no
No I got no I.D.
No I got no I.D. no no
No I got no I.D.
When thereâ€™™s nobody else
And thereâ€™™s you and me
I donâ€™™t need
No I got no I.D. no no
No I got no I.D.

Tell everybody theres a party
So come follow me
Itâ€™™s not that far weâ€™™ll raid the bar
And weâ€™™ll need no I.D.
Tell everybody theres a party
So come follow me
Itâ€™™s not that far weâ€™™ll raid the bar
And weâ€™™ll need no I.D.

No I got no I.D. no no
No I got no I.D.
No I got no I.D. no no
No I got no I.D.
When thereâ€™™s nobody else
And thereâ€™™s you and me
I donâ€™™t need
No I got no I.D. no no
No I got no I.D.
And I got no I.D.
And I got no I.D.
When thereâ€™™s nobody else
And thereâ€™™s you and me
I donâ€™™t need (Baby we need no I.D.)
And no I got no I.D.
