Pitiless

Anathema

Is it the emptiest of
All your broken hearted feelings
A serious misconception
To choose a path that led to ruinYou fucked up your life
Can't find your mind, you burned it all away
Ashes to ash
Dust to dustSo quick to point the finger
When you're the source of your condition
Why should I feel sympathy
When you only show me nothingI live for today
Can't get away from the burning inside
Ashes to ash
Dust to dust
