

# Well & The Lighthouse, The

## Arcade Fire

I'm serving time  
All for a crime I did commit  
You want the truth?  
You know I'd do it all again  
Left for dead  
Heaven is only in my head! I heard a voice  
Calling from down inside the well  
"See that silver shine?"  
She said to come claim what was mine  
So down I fell  
Down into the water black  
My prison cell  
Only the moon was shining back! If I seem lost, well, I weighted the cost  
And chose my crime  
Now it's mine all mine! I heard the voice  
Calling from just outside the well  
She said, "You fool, now that you know your end is near  
You always fall for what you desire or what you fear!" Resurrected  
Living in a lighthouse  
If you leave the ships are gonna wreck Resurrected  
Living in a lighthouse  
The lions and the lambs ain't sleeping yet Resurrected  
Living in a lighthouse  
Can you see the far side, the ships are going to wreck Resurrected  
Living in a lighthouse  
The lions and the lambs ain't sleeping yet The lions and the lambs ain't sleeping yet  
The lions and the lambs ain't sleeping yet
