Hard Luck

Lillian Axe

The hammer falls under the neon skies
The city lights reflecting in my eyesRoll the dice, a turn of the wheel
It's my turn to call
If it weren't for hard luck
I'd have no luck at allChorus:
Hard luck's got a hold on me
I bet against the odds
Hard luck's comin' down on me
It's in the fall of the cards
Hard luckThe night's my savior, she keeps me in the dark
A bad shot, it seems I've missed the markLike salt in my wounds
It burns me up inside
Nowhere to run to now
Nowhere to hideChorus
Solo
Chorus
(Repeat)
