

Are You Gonna Love Me

Luther Vandross

Anywhere you say to be
From the sky down to the ground
If I hear you calling me
I will never let you down
What if I were far away?
Would the love fire still burn? Yeah
I want to know if you would be
Still in love when I return? Yeah
Are you gonna love me?
I'm who I should be when you're loving me
Are you gonna love me
And give this love a chance, oh, would we dance?
I know the way you feel
I shouldn't worry 'bout the future now
It just gets in the way
Don't want to make you sad
Just want to know you're gonna love me
It's not a sunny day
Are you gonna love me
When the skies are gray and I'm far away? Yeah
Are you gonna love me
If I have to go, do you know?
It's all about
(You and me, you and me)
Will you wait for me?
(It's all about love, love, love)
About your love
You were feeling kind of blue
When the job took me away, yeah
The reason that I'm calling you
Is I'll be coming back today
Are you gonna love me?
Girl, it's been so long, is the feeling gone?
Are you gonna love me?
That's what I'm asking you, whatcha gonna do?
It's all about
(You and me, you and me)
Will you wait for me?
(It's all about love, love, love)

Are you gonna love me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Will you wait for me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Are you gonna love me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Will you wait for me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Are you gonna love me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Will you wait for me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Are you gonna love me, love me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Love me baby, love me baby
Love me baby, love me baby
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
Are you gonna love me?
Are you gonna love me, ah love me?
(Love me, baby, love me now, love me)
