a meeting of minds

a meeting of hearts and vibes

discuss the ideas

to locate some common ground

a meeting of minds

a meeting of hearts and vibes

built two angles

tangential oblique sounds

shouty bit:

the thread is picked up, followed, found - foundemit sounds to raise

an awareness to rise

erasement of lives

this value is applied

emit sounds to raise

an awareness to rise

to spark a process

and overcome the inertia

shouty bit:

the thread is picked up, followed, found - found
