

Here with You

Hillsong Worship

Verse: When sunlight breaks
And the day has just begun
In the still I wait
for Your voice to lead me on
Eternity residing in my soul, oh
I'll follow You till the day You call me home
Chorus: Here now with You
I have heaven in me
Everything is changed and I
will never be without You
Without You
Verse: From the dust I'm made
With Your calling on my life
And Your plan weaved into the fabric of my heart
Eternity residing in my soul, oh
I lift my eyes to the One who gave it all
I lift my eyes to the One who gave it all
Chorus: Here now with You
I have heaven in me
Everything is changed and I
will never be without You
Always with You
Through Your Spirit in me
Everything is changed and I
will never be without You
Bridge: You see me in the fire
Reaching out with open hands
Find me on my knees
And fill me with Your peace again
Forever I am loved
Your freedom reigns in me
Forever You are Lord my everything...
End: And i will never be without You
And i will never be without You
Without You
