

Clear Spot

Captain Beefheart

I have to run so far to find a clear spot
Sun's all hottin' and a rottin' hot
Swamp's all rotten 'n stinkin' uhh
Vegetation's hot
Sleepin' in a bayou on a old rotten cot
Can't find my kind of folks havin' fun
I have to run run run run
Run to find a clear spot
Can't shadow down, the sun big brown
Mosquitos 'n moccasins steppin' all around
'fraid I'm gonna get hit
Sun's all hottin' and a rottin' hot
Vegetation's hot
Sleepin' in a bayou on a old rotten cot
Can't find my kind of folks havin' fun
Got to run run run run
Run to find a clear spot
Can't shadow down, the sun big brown
Mosquitos 'n moccasins steppin' all around
'fraid I'm gonna get hit
'fraid I'm gonna get hit
I have to run so far to find a clear spot
