Mornin' girl, how'd ya sleep last night?
You're sev'ral ages older now
Your eyes have started showin' how
The little girl's growin' now
Mornin' girl, was that you last night?
Crying on the radio
Beggin' for a way to go
To go back where love wasn't jumbled soOh, no, things are different now than they were before
You know love is more than kisses
A whole lot more
Mornin' girl, put your dreams away
And read your box of Cheerios
And powder-puff that pretty nose
And go out and find your man where the wild wind blows
Mornin' girl
