

Mean Street

Dream Theater

[the live version is available on the fan club christmas cd 1998.]

- david lee roth

(van halen - from the album fair warning)At night I walk these stinkin' streets

Past the crazies on my block

And I see the same old faces

And I hear that same old talk

And I'm searching for the latest thing

A break in this routine

I'm talkin' some new kicks

Ones like you ain't never seen

This is home

This is mean street

It's our home

The only one I know
