

# No More

## Billie Holiday

Toots camarata / bob russell  
You ain't gonna bother me no more  
    Nohow  
    Love just goes so far  
    No more  
Woke up this morining and found  
I didn't care for you no more  
    Nohow  
    Never felt so good before  
    You're down to my size  
    It's over and done  
So honey, step down from your throne

    That look in your eyes  
    Don't bother me none  
Can take or leave you alone  
    From my window  
    Skys ain't grey nomore  
    Not now  
    Here's the day  
That I've been waiting for  
    Got only one heart  
    One heart with no spares  
    Must save it for loving  
    Somebody who cares  
So you ain't gonna bother me  
    No more, no more
