Davidian (Hellalive)

Machine Head

Blind man ask me forgiveness
I won't deny myself
Disrespect you have given
Your suffering's my wealth
I feed off pain, force fed to love it
And now I swallow whole
I'll never live in the past
Let freedom ring with a shotgun blastBurn my fist to the concrete
My fear is my strength
Power, rage unbound strength
Been pounded by the streets
Cyanide blood burns down the skyline
Hatred is purity
The bullet connects at last
Let freedom ring with a shotgun blastScarred
Pour the salt in the wound
