Hybrid Moments

Helvetia

If you're gonna scream, scream with me
Moments like this never last
When new creatures rape your face
Hybrids opened up the doorOoh baby when you cry
Your face is momentary
You hide your looks
Behind these scarsIn hybrid moments
Give me a moment
Give me a moment
Give me a momentOoh baby when you cry
Your face is momentary
You hide your looks
Behind these scarsIn hybrid moments
In hybrid momentsIn hybrid moments
In hybrid moments
Give me a moment
Give me a moment
