What's It Gonna Be

Jessica Simpson

Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
I'm not looking for someone to waste my time
And I'm not that kind of girl to read between the lines
I'm into you, but I need to know
If you're feeling me too
If you are, let me know
Let me know what's up with you, babe
Remove your mask do I can see behind
See all the feelings you once tried to hide, ooh yeah
Here's a letter from my heart
Keeps it simple not too hard
I wanna be your girl
Read the sign, down below
Check the box "Yes" or "No"
Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
I can't wait too long for you to make up my mind
And so I'm telling you that boy
You're running out of time
I feel as I'm going through a meltdown overload
I've got so much love inside
Boy I'm ready to explode
Remove your mask so I can see behind
See all the feelings you boys try to hide
Here's a letter from my heart
Keep it simple, not too hard

I wanna be your girl
Read the sign, down below
And check the box "Yes" or "No"
Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
Are you gonna use me up and throw me all away
Ain't got no time to beat around the bush
Ain't got time for games
All I ask is just one wish and that's for you to say
That you want me for your girl
And you won't play games, hey hey
Do you want me?
I'll give you this much to say "Baby"
Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
Every girl wants a guy that's right
And I've been waiting for this guy all my life
Every girl wants a guy that's true
We've been kicking it for a while, it could be you
I want to know where we stand
Are you gonna be a dog, or a gentleman
Baby, come clean, keep it straight with me
Tell me boy, tell me boy, tell me boy, what's it gonna be
